B

Thermex Super Silent GT 60 cm in stainless steel with motor is an efficient and quiet hood for cupboard mounting. The built-in Eco motor ensures an ultra-low noise level for maximum comfort in the kitchen

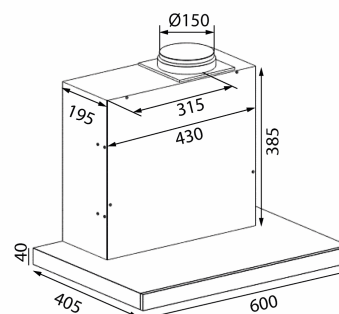

The **Thermex Super Silent GT** is a hood with a modern and minimalist design but still efficient with a powerful and quiet motor. The Super Silent GT is equipped with decorative filters that give an exclusive look and ensure an optimal distribution of the suction. It is possible to buy more [Thermex Toplink®](#) which starts the hood automatically when you start cooking. In other words, this means that you only have to think about cooking, Thermex takes care of the practicalities.

The operation of the Super Silent GT is a simple and intuitive glass touch operation, with the possibility to choose the suction strength, activation of after suction (timer) and switch the light on/off. In addition, you can operate the hood via the Thermex Remote app, which can be downloaded for free from the App store and Google Play. In the app, it is possible to adjust the brightness, activate periodic extraction and get an indication of the filter. You can also use [Voice link](#) the functionality built into the hood. Here you can control the hood with your voice alone via **Google Assistant (Hey Google)**. So there are plenty of options to choose from to operate your Thermex Super Silent GT. The hood is equipped with an energy-friendly Eco motor with ultra-low noise level and powerful suction of 525 m<sup>3</sup>/h.
