

Typhoon II Flex Zone

Item number: 525.21.1482.2

€ 2.714,71

EAN: 5703347532252

A+

Thermex Typhoon II Flex Zone is an induction hob with a built-in hood, all in one unit. With Thermex Typhoon II Flex Zone, you don't need a hood above the hob. Documented capture of over 75%

Thermex Typhoon II Flex Zone is an innovative and space-saving solution for your kitchen when it comes to kitchenhood built into the hob. The hob has 9-stage heat regulation + boost on each cooking zone, and of course it has child protection. The hob differs from its little brother Typhoon with its flex zone, also known as the "Bro function". The kitchenhood part has a powerful, quiet Eco motor that pulls steam and steam down between the cooking zones. The built-in motor can produce up to 623 m³/h and it is so efficient that it meets the requirement of a minimum of 75% extraction.
