

Tornado II Flex Zone

Item number: 525.21.1582.2

€ 2.322,58

EAN: 5703347532269

A+

Thermex Tornado II Flex Zone is an induction hob with a built-in hood, all in one unit. With Thermex Tornado II Flex Zone, you don't need a hood above the hob. Documented capture of over 75%

Thermex Tornado II Flex Zone is an innovative and space-saving solution for your kitchen. The hob has 9-stage heat regulation + boost on each cooking zone, and of course it has a child lock. The hob differs from its little brother Typhoon with its flex zone, also known as the "Bridge function". The kitchenhood part has a powerful, low-noise Eco motor that pulls steam down between the cooking zones. The built-in motor can produce up to 650 m³/h and it is so efficient that it meets the requirement of a minimum of 75% extraction.

Specifications

Minimum airflow [m ³ /h]	225
Minimum-Soundpower [dB(A)]	52
Maximum-airflow [m ³ /h]	650
Maximum-Soundpower [dB(A)]	73
Control	Glass touch
Material	Black glass
