

Harwich II wall 600 mm Stainless without motor

Item number: 527.23.3068.0

€ 927,43

EAN: 5703347531316

Harwich II 60 cm in stainless steel without motor is a classic hood with a large suction surface, strong suction motor, as well as efficient lighting, and is intended for connection to an external motor, central ventilation or heat recovery

The Thermex Harwich II is an affordable wall-mounted model with a horizontal design. You get a lot of hood for the money when you choose the Harwich II, large collection surface, good extraction capacity and a stainless design. Elegant and discreet glass touch operation. Available in 4 different widths from 60 cm to 120 cm. It is also available in a free-hanging model of 90 cm width. Harwich has so-called decorative filters that look extra good. Thermex has several different external motors that suit your mounting situation and budget.

Harwich II wall 900 mm Stainless without motor

Item number: 527.23.3098.0

€ 1.183,46

EAN: 5703347531392

Harwich II 90 cm in stainless steel without motor is a classic hood with a large suction surface, and is intended for connection to an external motor, central ventilation or heat recovery

The Thermex Harwich II is an affordable wall-mounted model with a horizontal design. You get a lot of hood for the money when you choose the Harwich II, large collection surface, good extraction capacity and a stainless design. Elegant and discreet glass touch operation. Available in 4 different widths from 60 cm to 120 cm. It is also available in a free-hanging model of 90 cm width. Harwich has so-called decorative filters that look extra good. Thermex has several different external motors that suit your mounting situation and budget.
