

Mini Perpignan 800 mm Black With motor

Item number: 540.23.1888.2

€ 1.741,94

EAN: 5703347531941

A+++

Thermex Mini Perpignan 80 cm in black with motor is an inclined hood with energy-efficient ECO motor, kelvin-adjustable work lighting and decorative lighting, with voice link so you can control the hood with verbal commands.

Model Mini Perpignan is a vertical hood. A low hood which, together with the special slanted design, means that the hood does not appear too violent on the wall. This applies both if it is mounted hanging solo or mounted in connection with overhead cabinets. [Thermex «All Possibilities» solution](#) means that it can be adapted to all homes and all types of exhaust and ventilation systems, including [Thermex Plasmex®](#).

The hood is controlled by our new smart remote control or automatically via the hob with [Thermex Toplink®](#). In addition, you can operate the hood via the Thermex Remote app, which can be downloaded for free from the App store and Google Play. In the app, it is possible to adjust the brightness, activate periodic extraction and get an indication of the filter.

You can also use [Voice link](#) the functionality built into the hood. Here you can control the hood with your voice alone via **Google Assistant (Hey Google)**. So there are plenty of options to choose from to operate your Thermex Mini Perpignan. The built-in motor can produce up to 480 m³/h and as much as 720 m³/h when using the boost function

Specifications

Minimum airflow [m ³ /h]	140
Minimum-Soundpower [dB(A)]	40
Maximum-airflow [m ³ /h]	480
Maximum-Soundpower [dB(A)]	59
Airflow with boost [m ³ /h]	720
Soundpower boost [dB(A)]	66
Energy consumption [W]	163
Control	Remote control
Material	Black painted steel and Black glass
