

Mini Preston II 600 mm Black With motor

Item number: 540.23.1668.2

€ 2.018,15

EAN: 5703347530609

A+++

Mini Preston II 60 cm in black with motor is an inclined hood with energy-efficient ECO motor, kelvin-adjustable work lighting and decorative lighting, with voice link so you can control the hood with verbal commands.

The **Thermex Mini Preston II** is intended for you who do not want the hood to be too obvious or dominant in your kitchen. The Mini Preston II is not as tall as the Preston II, hence the name. When it comes to performance, you lose almost nothing by choosing the slightly smaller model. **Thermex «All Possibilities» solution** means that it can be adapted to all homes and all types of exhaust and ventilation systems, including **Thermex Plasmex®**.

The hood is controlled by remote control or automatically via the hob with Thermex **Thermex Toplink®**. In addition, you can operate the hood via the Thermex Remote app, which can be downloaded for free from the App store and Google Play. In the app, it is possible to adjust the brightness, activate periodic extraction and get an indication of the filter.

You can also use **Voice link** the functionality built into the hood. Here you can control the hood with your voice alone via **Google Assistant (Hey Google)**. So there are plenty of options to choose from to operate your Thermex mini preston II. The built-in motor can produce up to 525 m³/h and as much as 750 m³/h when using the boost function.

Specifications

Minimum airflow [m ³ /h]	165
Minimum-Soundpower [dB(A)]	40
Maximum-airflow [m ³ /h]	525
Maximum-Soundpower [dB(A)]	61
Airflow with boost [m ³ /h]	750
Soundpower boost [dB(A)]	68
Control	Remote control
Material	Stainless steel and Black glass
