

## Super Silent Extension 500 mm White With motor

Item number: 520.19.1251.2

€ 813,51

EAN: 5703347523991

A

Thermex Super Silent extractor 50cm in white with motor, is an efficient and quiet extractor hood for cupboard mounting. The built-in motor ensures an ultra-low noise level for maximum comfort in the kitchen.

The **Thermex Super Silent Extractor** is a very affordable solution for those of you who don't think a hood should do too much of itself. It must be quiet, efficient and look like a natural part of your kitchen. These are exactly the properties you get with a Super Silent Extractor. The large collection surface is easily hidden when you are not using the hood and can be pulled out or pushed in. You can choose between stainless and white front. **Thermex «All Possibilities» solution** means that it can be adapted to all homes and all types of exhaust and ventilation systems, including **Thermex Plasmex®**.

The hood is controlled by our new smart remote control or automatically via the hob with Thermex **Thermex Toplink®**. In addition, you can operate the hood via the Thermex Remote app, which can be downloaded for free from the App store and Google Play. In the app, it is possible to adjust the brightness, activate periodic extraction and get an indication of the filter.

You can also use **Voice link** the functionality built into the hood. Here you can control the hood with your voice alone via **Google Assistant (Hey Google)**. So there are plenty of options to choose from to operate your Thermex Super Silent Extractor. The built-in motor can move up to 524 m<sup>3</sup>/h.

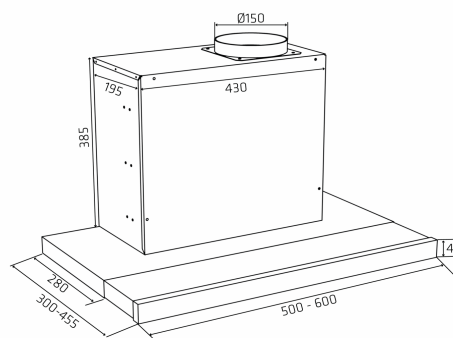

### Specifications
