A

Thermex Slim S4 plus 60 cm in stainless steel with motor is an efficient and quiet extractor hood for cupboard mounting. The built-in motor ensures efficient extraction and the control button ensures simple and reliable operation.

As the name suggests, **Thermex Slim S4 Plus** is both slim and elegant, but at the same time has all the power you could wish for. It has a boost function for those times when you really need the hood to perform at its maximum. When it is not in use, because it is a pull-out model, it can be slid in and combined with an overhead cabinet. Extra good and neat filter makes it even more efficient and elegant. The built-in motor can produce up to 587 m3/h
