The Thermex York III 60 cm in black with motor is an affordable and efficient and quiet hood for cupboard mounting. The built-in motor ensures a low noise level for maximum comfort in the kitchen. The elegant glass touch panel makes operation simple.

The Thermex York III is an extra affordable cupboard-integrated extractor hood available in two versions: Standard and Lux. Lux has a more powerful motor than Standard. You can choose between either white with white front, black with black front, or gray with stainless front. Smart mounting system makes it a dream for the do-it-yourself man or woman and anyone else who is primarily looking for an affordable and «hassle free» extractor hood in the kitchen. The built-in motor can produce up to 279 m³/h.
