Experience the perfect wine experience with Thermex Winemex 93. This advanced wine cooler keeps your wine at the optimal temperature and protects it from sunlight and vibrations. With space for 93 bottles and the beautiful design, Winemex 93 is the ideal wine cooler for every wine enthusiast.

The **Thermex Winemex 93** is a high-quality wine refrigerator designed to store and present your wines in the best way. This wine refrigerator is the perfect choice for wine enthusiasts and professionals who want to store and serve their wines under optimal conditions.

One of the biggest advantages of the Thermex Winemex 93 is that it can store up to 93 bottles of wine. This makes it ideal for storing and organizing a large collection of wines. The wine fridge also has a stylish design that will fit into any kitchen or dining room. Thermex Winemex 93 can be used as a built-in or free-standing unit as desired. A really beautiful wine cabinet that gives you easy storage of a substantial wine collection in the kitchen. The cabinet ventilates itself and has a carbon filter to ensure an odor-free, temperature-regulated climate inside the cabinet. It is made from high-quality materials that ensure it will last for many years.

One of the most impressive features of the Thermex Winemex 93 is its advanced temperature control system. This system makes it possible to set the temperature between 5 and 22 degrees in 2 different cooling zones so you can have a different temperature in each part, e.g. one for white wine and one for red wine, which allows you to store your wine at the optimal temperature. This is especially important as temperature can affect the taste, aroma and shelf life of your wine.

The wine fridge also has a quiet compressor, making it perfect for storing wine at home or in the office. The compressor is also energy efficient, which means you can store your wines without having to worry about a high electricity bill.

Overall, the Thermex Winemex 93 is the ideal choice for wine enthusiasts and professionals who want to store and serve their wines in the best conditions. This wine fridge is not only functional, but also stylish and durable, making it an investment that will last for many years.
