A

Decor 787 90cm free-hanging in stainless with motor is a classic pyramid-shaped scope with a large suction surface, efficient motor, and simple and user-friendly control panel

Thermex Decor 787 free-hanging 900 mm in stainless, with motor is designed to ensure clean air and good ventilation in your kitchen. This hood has an elegant and classic look that fits perfectly into any kitchen interior. But in addition to the stylish design, the Decor 787 is also equipped with advanced technology that makes it one of the best hoods on the market.

One of the most impressive features of the Decor 787 is its efficient filtration system. The hood's powerful lighting, made up of LED bulbs, helps illuminate your cooking area, while its advanced grease filter captures grease and oil vapors that might otherwise contaminate the air in your kitchen. This means you can cook your favorite dishes without worrying about annoying smells or smoke filling the kitchen. Decor 787 can with its [Thermex «All Possibilities» solution](#) can be adapted to all homes, regardless of exhaust and ventilation solution,

Another great feature of Thermex Decor 787 is its ease of use. The hood is equipped with intuitive touch buttons, which give you full control over the hood's speed and lighting. And when you're done cooking, you can easily remove and clean the grease filter, so the hood is always in top shape and ready for use.

Last but not least, Thermex Decor 787 is one of the quietest hoods on the market. Thanks to its advanced noise reduction technology, this hood is almost silent even when working at high speed. This means you can enjoy a quiet and relaxed atmosphere in your kitchen while you prepare your favorite dishes.

All in all, the Thermex Decor 787 is an excellent free-hanging hood that not only looks good, but also delivers exceptional performance. Whether you are a professional chef or a hobby cook, this hood will ensure clean air and a pleasant experience in your kitchen. So why wait? Buy your Thermex Decor 787 hood today and experience the difference!

Decor 787 is also available in a wall-hung model (in 60, 70 and 90 cm width). The built-in engine can produce up to 605 m³/h and as
